Kelvedon, Highfields Road verge by Maldon Road's bridge over A12. Return to St Mary's Square via Maldon Road, Bridgefoot Grays' Mill, The Library and The Angel. Use the B1024 footway westwards to pass under the A12's slip road. Immediately drop off left on a track to a bridge over the River Blackwater. Have trees on rightside until the road is joined. Go right, then left to approach Kelvedon Hall (actually in Gt Braxted) Swing left beyond the Hall and fork right on a track rising to the watershed. Pass E and S of a stand of trees and use another track left to Grange Road.

Lead left, beware busy traffic, and take next path left opposite the Inworth Grange (actually in Tiptree) A slight rise W side of New Wood recrosses the Colne watershed, and descending N from the woodland, a hedge on right guides through three fields to a cross track. Converge with Jubb's Brook off right, and remain streamside until by the steps up to Highfield Road in Kelvedon. TL 859 177
