Thorrington, triangle of Chapel Lane, Church Road & Clacton Road B1027.

Exploit the B1027 footway W to the end of the housing where a path sprouts left. Follow it, hedge on left, to hedge bendaway. Proceed S W on midfield path to footbridge, then resume hedge-on-right to B1029 road. Footways S to next path right. Stile leads to bendy waymarked path down to Tenpenny Brookside and through Scout Camp to B1027. Footway left does not quite far enough. Face oncoming traffic downhill to path off right by housing. Wind around outbuilding at top to enter grassland and tread to NW corner stiled crossing of railway. N in the old orchard, join sandy track, right and swinging left to turn right at junction. Espy Hockley Wood ahead E and look for waymarks leading to pass close northside of the trees. Cross last field to Burr Farm on B1029. Twist right, ignore the bend, to head S-ish on minor road. Chicane left right to get on Frating Abbey Road, re-cross railway, and fork right opposite Abbey Farm. Midfield path joins B1027 by Red Lion and Church Road.
