West Mersea, Seaview Avenue/ Victoria Esplanade corner carpark. Take a beach walk E to the end of the colourful beachhuts. There flick left inland up Cross Lane to cross East road and enter Daws Lane. Face oncoming traffic until able to take the footpath off left to Wellhouse Farm. Cross the B1025 carefully to find a continuation path to High Street/ Colchester Road bend. Go right to the outside of the corner and take the W path dividing urban left from rural right until it becomes enveloped by housing as The Lane. Flip left at the waterfront and pursue the pedestrians' margins until beyond the last edible fish outlet. A path implores a return to the beach. When rows of beachhuts are reached, so respite may be gained by finding grass passages by them back to Seaview Avenue corner.
